Notes [1] This box is mandatory for agricultural products with export refunds. [2] This particular may only be required for non-computerised procedures. [3] When the declaration covers only one item of goods, the Member States may provide for this box to be left empty, the figure "1" having been entered in box 5. [4] This box is mandatory for the NCTS in accordance with Annex 37a. [5] This particular may be required only for computerised procedures. [6] This box is optional for the Member States where the consignee is not established in the Community nor in an EFTA country. [7] Not for use in the case of postal consignments or carriage by fixed transport installations. [8] Not for use in the case of postal consignments or carriage by fixed transport installations or rail. [15] Mandatory in the case of re-export following a type D warehouse procedure. [16] This subdivision must be completed where: - the transit declaration is made by the same person at the same time as, or following, a customs declaration which includes a commodity code, or - where a transit declaration covers goods referred to in Article 44c, or - where Community legislation so provides. [17] For completion only where Community legislation so provides. [18] This information is not required for goods eligible for relief from import duties, unless the customs authorities consider it necessary for the application of provisions governing the release for free circulation of the goods concerned. [23] This box is to be completed where the declaration of placing of goods under a customs procedure is used to discharge a customs warehousing procedure.

¹ Column J also covers the entry of goods into free zones subject to type II controls.

² This column is also relevant for cases referred to in Article 525(3).

³ Column K also covers the entry of goods into free zones subject to type II controls.
