

COMMISSION OF THE EUROPEAN COMMUNITIES

Brussels, 22.9.2006  
COM(2006) 522 final

Proposal for a

**COUNCIL DIRECTIVE**

**adapting certain directives in the field of taxation, by reason of the accession of the  
Republic of Bulgaria and Romania**

(presented by the Commission)

## EXPLANATORY MEMORANDUM

Article 4(3) of the Treaty of Accession of the Republic of Bulgaria and Romania enables the institutions of the Union to adopt before accession measures referred to, inter alia, in Article 56 of the Act of Accession. These measures shall enter into force only subject to and on the date of the entry into force of the Treaty of Accession.

**Article 56 of the Act of Accession** stipulates that where acts of the institutions adopted prior to accession require adaptation by reason of accession, and the necessary adaptations have not been provided for in this Act or its Annexes, the Council or the Commission (if the original acts was adopted by the Commission) shall adopt the necessary acts.

**Point 2 of the Final Act** refers to the political agreement reached on a set of adaptations to acts adopted by the institutions. The Council and the Commission shall complete and update these adaptations and adopt them according to the procedure set out in Article 56 of the Act of Accession.

The completing and updating of adaptations to the acquis takes into account acquis adopted after the cut-off date for the Treaty of Accession, 1 October 2004. The form of the acts adopted under Article 56 of the Act of Accession follows that of the amended acts. Five types of acts are foreseen to adapt the acquis: Council and Commission directives to adapt the directives, Council and Commission regulations to adapt the regulations and decisions and a Commission Recommendation to adapt a Commission Recommendation.

The attached proposal for a Council Directive covers adaptations in the area of taxation to Directives adopted until 1 July 2006. These adaptations are of a technical nature. To technically adapt the acquis in view of accession has no financial impact.

Other acts, which require adaptation in view of an enlarged Union, and which, for example, because of timing reasons, could not be taken into account in this proposal for a Council Directive, have to be adapted at a later stage or, as appropriate, through a normal procedure. Article 56 stipulates that adaptations adopted after the accession may be applied as from the date of accession.
