

Question:

The query concerns which documents must be submitted by 31st December 2015. As we read it you require information specified in point 5.1, which are Annex I Questionnaire, section 1 and 2 plus supporting documentation including Annexes II and III.

We also understand that you require Annex IV reporting sheet for the proposed marker.

As regards all the supporting documentation for Section 5.3 Evaluation, is this only required after selection as per point 5.2. If required in electronic form the documentary evidence file is in excess of 70MB.

The deadline for the submission of applications has been extended to 31 March 2016. Please see the corrigendum which was published on TAXUD's webpage:

http://ec.europa.eu/taxation_customs/resources/documents/taxation/excise_duties/energy_products/aircraft_fuel/call_for_expression_of_interest_corrigendum_ii_en.pdf

As outlined in the Call for expression of interest, documents in annex I-IV must be submitted before 31 March 2016. Section 5.3. 'Evaluation' refers to minimum mandatory requirements which the product shall fulfil. All the supporting documentation for this section must be submitted, as the annexes I-IV, before 31 March 2016.

If the file in electronic form is too big it can be divided and several e-mail submissions can be made or it can be submitted on a USB flash drive.
