Notes

* This information is required only where the goods are declared using the computerised system ASYCUDA

** Information required in the case of the simplified customs clearance procedure.

- [1] This information is mandatory for agricultural products covered by export refunds.
- [2] Information required only for non-computerised procedures
- [3] If the declaration refers to only one item, this box does not have to be filled in, provided that number 1 is entered in box 5.
- [4] This box is mandatory for the NCTS system in accordance with the methods laid down in Annex 37a.
- [5] Information that may be requested only in the case of computerised procedures.
- [7] Not applicable in the case of dispatches by mail or fixed facilities.
- [8] Not applicable in the case of dispatches by mail, fixed facilities or railway.
- [11] This information is required only in cases exempted from the rules of establishing the foreign exchange rates on a monthly basis, as defined in Chapter 6 of Title V of Regulation (EEC) No 2454/93
- [12] This box has to be filled in only if the export formalities are fulfilled by the customs office of exit from the Community.
- [13] This box does not have to be filled in if the import formalities are performed by a customs office of entry into the Community.
- [15] Mandatory in the case of re-export after the placing in a type D customs warehouse.
- [16] This sub-section has to be filled in in the following situations:
 - where the transit declaration is drawn up, by the same person, at the same time as or following a customs declaration that contains the designation 'goods';
 - where the transit declaration refers to goods listed in Annex 44c;

¹ This column is also relevant in the cases referred to Article 525(3).

- where this is provided for by a Community regulation.

- [17] This box has to be filled in only if the Community regulations provide so.
- [23] This box has to be filled in if the declaration of placement under a customs scheme means that the customs warehouse scheme no longer applies.
- [24] Where the goods are transported in containers intended for transport by road vehicles, the customs authorities may authorise the principal not to fill in this box, if the logistical situation at the place of departure may make it impossible to provide the identity and nationality of the vehicle when the transit declaration is being drawn up and if the customs authorities can guarantee the subsequent entry in box 55 of the required information concerning the means of transport.
