

NOTE FOR THE ATTENTION OF THE USERS OF THE CBAM REGISTRY

Subject: Solutions for authorisation process in the CBAM registry

The CBAM registry will launch the authorisation module on 31st March 2025.

Due to the short timeframe of the implementation and the development of the CBAM registry, some of the labels in the training material will differ from the authorisation module in the CBAM registry.

The final solutions will be implemented and released during the second quarter of 2025.

Please see below the current implementation and the solutions to be used by the applicants and the competent authorities.

Label in the training material	Label in the CBAM registry	Solution to be implemented in second quarter of 2025
Have serious infringements been committed?	Do you have any objections to the granting of the authorisation?	This field will be maintained after the second quarter of 2025.
Field: "Infringements" In this field its possible to select the infringements and the number of infringements.	This data group is mandatory if "Yes" is selected in the above question. If you don't have enough information, you can select "Not Applicable" for Type of Infringement.	This field will be repealed in the release of the second quarter of 2025.
"Data access status ("I confirm that the competent authority of my country of establishment is authorised to access my business's profit/loss account and balance sheet registered with the national bank.")"	Data access status ("As I represent the necessary mandate, I hereby consent to the competent authority ("NCA") obtaining the necessary information from relevant government bodies in relation to my application for CBAM authorisation. This includes, but is not limited to,	This field will be maintained after the second quarter of 2025.
