EU Customs Certificate of Recognition - Form 3C

Competencies addressed by a module within a Master's Academic Programme

Educational institution:	**Title of academic programme:**	**Date: DD/MM/YY**

Below you will find a list of suggested competencies along with the recommended proficiency levels (PL) in yellow. This competency list in derived from the CustComp^eu Public and Private sector EU Reference Training Programmes (RTP) for Academic Customs Education. Please indicate the competency level your programme addresses. Leave blank competencies that your programme does not address. Fill in any additional competency covered by your programme in rows named "Additional competencies" at the end of this table.

Visit the links to the CustComp^eu Operational (Public Sector, Private Sector) Training Curricula, and EU RTP Proficiency Level Descriptions for further reference to the training topics and outcomes for each competency.

Use sample application for reference

Useful tips:
Use Form 2 as reference. Take one module description at a time. Decide and indicate below which competencies the module addresses. Repeat for all modules.

CustComp^eu		Module within a Master's Academic programme					
Competency	**Reference**	**Dedicated hours**	**Indicated Proficiency Level**				**Modules or courses in your programme**
OC: Operational Competency	*For a full description of the competency, refer to the Training Curricula linked above.*	*Training, self-study, assignments, thesis, exams, etc. hours dedicated to each competency*	*Mark with an "x" the competency PL level your programme delivers. Use the PL descriptions link for reference. Yellow indications correspond to RTP recommendations.*				*Indicate in which courses this competency is trained during the programme. Refer to the specific Topics and Outcomes as presented in Form 2. Be sure to explicitly mention the course reference number. Please note that you can also refer to an event or an assignment that is part of a course or the wider programme (e.g. thesis).*
			PL1	**PL2**	**PL3**	**PL4**

Additional competencies covered by the academic programme:									

Please do not fill beyond this point

Eligibility check criterion 3: In line with the RTP

Modules within Master's academic programmes need to demonstrate they address a minimum of 16 OCs (75%) RTP competencies (out of a total of 21) at the requested proficiency levels.

Additional requirement: 3 OCs must be trained up to PL2 (besides those already in PL2).

	Number	Percentage
RTP competencies	**21**	**100%**
Public and Private OCs		
In line with RTP total		
Modules within Master's programme: ☐ at least 75% in line with RTP ☐ less than 75% in line with RTP
