For Entering Application Configuration Requests

The screenshot shows the 'Application Configuration Tool' interface for the 'European Commission - Taxation and Customs Union'. The main form is titled 'CSI Application' and includes the following sections:

- Platform:** Name* (NCTS-CZ), Address.
- Application:**
 - Category: Synchronous client
 - Environment*: PROO
 - Gateway*: Choose the gateway...
 - Application domain*: YES
 - Name*: UC07E-APP-VIES
 - Activation mode*: Initiator
 - CSI Stack*: C
 - Operating system*: Linux
- Security mechanisms:** A table with columns 'authorised' and 'default' for various mechanisms.

	authorised	default
1LC	<input type="checkbox"/>	<input type="radio"/>
3HC	<input type="checkbox"/>	<input type="radio"/>
3HD	<input type="checkbox"/>	<input type="radio"/>
3HE	<input checked="" type="checkbox"/>	<input type="radio"/>
TLS	<input type="checkbox"/>	<input type="radio"/>

Functionalities:

- Direct submission
- Automatic correction function
- Pre-filled templates for applications
- Unlimited applications in 1 request
- Updated status for tracking versions
- Central repository

Advantages:

- Direct feedback
- Fewer mistakes
- Faster implementation of ACRs

Getting connected:

1. Login with the same username as for the CCN/TC Portal
2. Access to a CCN Gateway connected to the CCN network
3. IE 7 or 8, or Firefox 3.5+
4. Proxy: address of the CCN Gateway with port 1998
5. ACT User profile (requested with User Nominative Account Registration form signed by Local Security Officer)

The screenshot shows the 'CCNTC User Nominative Account Registration Form - v1.0'. The form is divided into several sections: 'Request Details' (Status: Created, Request Version: 0.1, Priority: Please choose, Request Type: Please choose), 'Approved by CCNTC Security Officer' (Reference: SC, Name: ccntc@ccncsi.net, Phone: +32 2 690 5740, Approval Date, Next Review Date, Signature), 'Requestor - Local CCN Security Officer (LSO)' (Issued by: Organization, Last Name, First Name, Phone, Email; CCN Site: Please choose, Request Date, LSO Signature), 'User Nominative Account to' (User: Organization, Last Name, First Name, Phone, Email; Role(s): Please choose; Account: Start Date, End Date; Declaration: The access rights are applicable to the servers defined in this form only. They should not be used to gain unauthorized access to other accounts, servers or any other resources. The servers specified are monitored for account violations and audit purposes. This account is subject to the CCNTC General Security Policy, and I understand and agree to abide by the terms of the policy.), and 'Approved by User' (Last Name, First Name, Date; User Signature).
