

Excise Movement and Control System (EMCS)

Advanced Business Training Programme - Module 2

Movement - Follow-up

This easy-to-use eLearning module is one of the courses from an extensive EU eLearning programme on Customs and Taxation.

This course is part of the EMCS Advanced Business Training Programme designed to give you a deep knowledge about EMCS processes. This course covers **the Movement - Follow-up (Events and Controls, Access to information)**.

The Excise Movement and Control System (EMCS) is a computerised system for monitoring the movement of excise goods under duty suspension in the EU. It records, in real-time, the secure movement of alcohol, tobacco and energy products, for which excise duties have still to be paid.

The advanced programme includes five modules:

- Submission and Receipt
- Movement - Follow-up
- Export
- Administrative cooperation
- Management of Registration data and Reference data

Target audience

This course is addressed to the following professionals:

- **The MS Administrations** responsible for monitoring outgoing traffic and maintaining and disseminating accurate and up-to-date reference information.

Learning objectives

At the end of the course, you will be able to handle:

- **Post-delivery processing of events and controls** among MS, such as the submission of an event report, the control and submission of the control report, the interruption of a movement, the information on intended claims and risk assessment;
- **Post-delivery accessing of information:** download and general query to retrieve an e-AD and request for history information.

Course duration

The course takes around 2 hours.

Available languages

The course is available in Hungarian and Polish. Consult the table on the [EUROPA](#) website to check the availability of further EU language versions.

General Features

You may interrupt your course. When reopening the course you can resume where you have left the course off.

Besides the menu, in the upper toolbar of the course, a course map allows you to quickly access the sections and subsections.

A course summary of the most relevant information is available in a printable format. You can also print any screen of the course with the print option.

How to get access to the course?

This eLearning module is not publicly available and is distributed exclusively to national Customs administrations. After having been granted access by your administration, depending on the decision made:

- You have the choice between 'non-SCORM' (iso, exe, html/html5) and 'SCORM' (for LMS systems).
- If you use a 'non-SCORM' version, read the Quick Start Guide available in the downloaded zip folder. It explains how to install the courses to your system.
- Using the course does not require a high level of information technology skills from the learners.
- In case of technical issues contact first your local administrator. If the problem persists, send the description (including screenshots) to taxud-elearning@ec.europa.eu
