### **Question no. 1**

Annex 1 questionnaire, sections 1 to 3, points 1.12 to 1.13, does each member of the consortium need to give the list of all the other companies on the consortium or can they just enter theirs?

### **Reply**

Under section 1.12 and 1.13 of the questionnaire, each **company being** member of the group of tenderers will provide its own information, that is to say, its own legal entity form and its own financial identification form. As written in bold under both quoted sections: **"Please print, fill and sign a legal entity form/financial identification form for each member of the tendering group"**.

### **Question no. 2**

Annex 1 questionnaire, Section 2 point 2, same thing, does each member answer for himself or for the whole consortium?

### **Reply**

Each company, member of the group of tenderers will need to answer this question, respectively, in view of its own situation.

### **Question no. 3**

Annex 1 questionnaire, section 4, reference table: what does "Type" refer to? Type of client i.e. private or public or description of project?

### **Reply**

The column titled "Type" in the referred reference table stands for the type of client (very brief description: private/public sector) and the type of projects/services (brief description) you carried out for the quoted clients.
