

For **the European Confederation of Independent Trade Unions (CESI)** the discussion priorities for the next meetings should be:

- Additional resources for tax authorities to deploy instruments of tax cooperation and transparency
- Sufficient number of additional civil servants for tax authorities and facilitate special tax audit trainings and performant data infrastructure
- Effective collection of all taxes: platforms and digital economy
- Qualified Majority Voting (QMV) in tax matter
- Common Consolidated Corporate Tax Base
- Domestic tax base erosion and profit shifting
- Taxation and the European Green Deal
