Learning outcomes are statements of what a learner knows, understands and can do upon completion of a learning process. | Study load

Please share the teaching hrs and self-study hours that are envisaged for this course and respective ECTS credits (or equivalent) it offers. | Delivery method

How will the learning content of this course be transferred to the participants? Multiple answers are possible. | Evaluation method

How will the participants be evaluated at the end of the course? |
|---|---|---|---|---|---|

1. Customs-specific courses: Total number of ECTS points granted by Customs-specific courses: _____

Course reference number	Course title	Outline	Study load			Delivery method	Evaluation method
			Teaching Hours	**Self-Study**	**ECTS**		

2. Non-Customs courses:
(accounting, business, human resources etc.)   Total number of ECTS points granted by non-Customs courses: _____

EU Customs Certificate of Recognition – Form 2

Course reference number	Course title	Outline	Study load			Delivery method	Evaluation method
			Teaching Hours	*Self-Study*	**ECTS**		

Eligibility check criterion 2 - Customs specificity

Master's or Bachelor's academic programmes must contain a minimum of 75% Customs-specific content. Modules within Master's or Bachelor's programmes must be 100% Customs-specific and must represent between 30% and 74% of the overall programme.

Out of the total number of the academic programme's ECTS points (or equivalent), 75% should cover Customs-specific modules.

	ECTS points/equivalent	Percentage
Customs specific courses	**0**	**100%**
Non-Customs courses	**0**	**0**
Total	**0**	**0**

Master's and Bachelor's programmes: ☐ at least 75% Customs-specific ☐ less than 75% Customs-specific

Module(s) within a Bachelor's or Master's programme: ☐ 100% Customs-specific ☐ Less than 100% Customs-specific

☐ 30-74% of overall programme ☐ Less than 30% of overall programme

Quantitative evaluation outcome: ☐ **Eligible Application** ☐ **Non-eligible Application**
