

Customs status of goods

eLearning module

This easy-to-use eLearning module is one of the courses from an extensive UCC EU eLearning programme. It provides **fundamental knowledge** in the domain of customs status of goods and the **related procedures** as defined by the [Union Customs Code \(UCC\)](#).

To fully benefit of the potential of this course, we recommend to integrate the course in your own training programme and to develop a full blended learning programme.

Target audience

Customs professionals in both the public and private sector who in the course of their activities need to know about the customs status of goods.

Available languages

For the availability of further language versions, consult the table on the [EUROPA](#) website.

Learning objectives

By the end of this 85-minute course, you will have learned about:

- the customs status of goods as Union or non-Union goods;
- the concept of Proof of Union Status (PoUS) as well as the different means;
- the possible changes of the customs status of goods;
- how an economic operator can request a PoUS and which steps an authorised issuer should follow;
- the use of a PoUS.

Particularities of this course

After giving a definition of the customs status of goods and explaining the difference between Union goods and non-Union goods (section 2 and 3), the course presents the different means to prove the customs status of Unions goods (section 4) and concludes with the procedures related to the PoUS (section 5 and 6).

How were the courses developed?

This UCC EU eLearning programme can be followed as a complete programme.

However, the modules are designed to allow the selection of single module in function of your professional competency needs.

The courses were developed under the Customs 2020 Programme. The UCC eLearning programme content was created by a project team comprised of a pool of customs experts from national administrations and private sector in close collaboration with the Taxation and Customs Union Directorate General of the European Commission.
