

Tax Executives Institute (TEI) is a diverse and inclusive nonprofit membership association, dedicated exclusively to the professional needs of the in-house tax community worldwide. The organization was founded in the United States (New York City) in 1944 and today has 56 chapters in Europe the Middle East & Africa, North and South America, and Asia. TEI's over 6,000 individual members represent over 2,800 of the leading companies in the world.

TEI's mission is to enhance and improve the tax system and to serve its members, their employers, and society generally by facilitating interaction among, and the training of, members and their staffs, by effectively advocating its members' views, and by promoting competence and professionalism in both the private and government sectors. As a well-respected industry leader, the Institute possesses unrivaled practical experience and is uniquely positioned to help organizations navigate the ever-changing global tax environment.

TEI is dedicated to the development of sound tax policy, compliance with and uniform enforcement of tax laws, and minimization of administration and compliance costs to the benefit of both government and taxpayers. These goals can be attained only through its members' voluntary actions and their adherence to the highest standards of professional competence and integrity.
